

The Tour of Human Rights

Welcome to the wonderful world of Human Rights!
On your right there is the
BEFORE HUMAN RIGHTS (let me explain that)

Before 1215 you would be beaten into jail
BELTED!
THRASHED!
HURLED!
WHIPPED!

Would there be a fair trial?
Never!
Protection of Privacy?
You wish!
Freedom to marry?
Are you kidding?
A good education?
No chance!

On the left the room of SHARING AND FRIENDSHIP.
This is when the Human Rights Act came in and you would have a chance to
PROTECT YOUR PRIVACY
Definitely!
THE RIGHT TO MARRY
Of course!
PROTECTION OF PROPERTY
Get in!
FREE SPEECH
Why not?
FAIR TRIAL
A big yes!

Up the stairs, the GARDEN OF FREEDOM
We'd better leave them to be FREE!

Straight on is the BATHROOM OF PRIVACY
(Someone could be there, so we are not allowed to go in)

Thank you very much for you compliments
